Memo to the File:

The fact still remains that the host Country was not requiring HHE coming thru on Project a/c to go thru customs. To try to explain this to current Customs officials would be unwise. It is strongly suggested [illegible]

Sanitized - Approved For Release : CIA-RDP33-02415A000500050029-9

Sanitized - Approved For Release : CIA-RDP33-02415A000500050029-9

Ref. articles be shipped out in normal fashion (same as other personal effects which do not now go thru customs) and not via sea shipment which must go thru local customs. I feel that the commentators on attached documents have completely missed the issue in this case.
